

PARTICIPATE IN LIVING HISTORY

Experience the excitement of boarding the very same aircraft that transported our American troops over the beaches of Normandy, France on D-Day June 6, 1944. You will lift off from **Northeast Ohio Regional Airport** near Jefferson and fly above the farmlands, out over the D-Day re-enactment on the beaches of Conneaut, sweep out over Lake Erie and return. You will be amazed at the bravery of our soldiers as they rode these historic aircraft into battle. There are a limited number of flights and seats aboard the actual aircraft that transported U.S. paratroopers and towed troop gliders on D-Day. **Book your seat now.**
